

GSF

ISF is on go in:100% and it's up to 100% already there.
So what we need to do is:set our trap up inside the evil
hq.

So after we do that we will take over the evil hq. Here are
the coordinates of the evil hq are: Kyoto, Japan, quadrant
y37. We need to hack into the security cameras so we
can see what they're planning so we can finally destroy
them for all time
